C., was instructed to submit for Govt.'s administrative approval plans and estimates for providing elec. installation in the Belgaum Irrigation Sub-divisional office only. The S. E., S. C. has, however, p.13/c.s. stated that for the reason explained in para 3 of his letter p.19/c.s. No. BM-16, dt. the 13-6-51, p.19/c.s. he has submitted a p.17/c.s. plan and pp.13-15/c.s. estimate, the latter

amounting to Rs. 2662/-, for providing elec. installation in all the three Sub Divisional Offices at Belgaum viz. (1) Roads and Buildings (2) Belgaum Irrigation and (3) Village Water supply, which are all housed in one building. In this connection, attention is invited to the "General Description" of the f.13/c.s. estimate wherein only the Irrigation Sub-ff 13-15/c.s. Divisional Office is mentioned.

3. These papers may, perhaps, be referred up to the S. E., S. C., with a request to clarify the position.

4) The wording of the estimate & the general description is suitably amended.

The SE's proposal to electrify the whole bdg may be approved.

In order to reduce the cost, the provision for fans, items 10-13 of the estimate may be omitted & the revised estimate for Rs 1,423/- may be appd. Provision for wiring is retained so that fans only can be fitted up later on, when funds become available.

If fans are not the first, even the wiring may be omitted
